## Kazuo Nimura Trade Unions to the 'Nakama': Organizational Characteristics of Occupational Groups in

A similar special thanks must go to Mrs Osaragi Jirō for the generosity with which she and her late husband allowed me to stay in their small house in Kamakura, amongst their exquisite collections of scrolls and inkstones and large books. Country of Publication: Japan Publisher: Tōkyō.

43222657

In the letter from Fujian to Nagasaki, the Chinese governor had requested that the Japanese authorities control Japanese piracy against Chinese shipping. The organization of a literary association, the establishment of the community charitable estate, the promotion of the community drinking ceremony, the renovation of an official school, the construction of an academy, and the composition of numerous commemorative inscriptions marking local projects were among the representative works executed by these people.

## Maki Fukuda et Seishi Shiota, « Histoire du droit pénal au Japon du XVIIIe siècle au début du XXe siècle, dans une perspective comparative avec le cas français »

The labor movement after World War I presented such workers' feelings as the demand for recognition of a person's jinkaku 'humanness' or 'character'.

## La minorité aïnoue dans le Japon moderne et contemporain. D'« anciens indigènes », de nouveau(x) autochtones (1869

What was of importance was a that they recognised each other as individual members and the fact that the groups had self-evident and clear boundaries b that workers realised that being a member meant being aware that in some sense there was something to be shared through the medium of the group - among workers in heavy industry this meant 'skills' that represented social norms c that regulatory conditions of a kind were laid down that included a customary traditional pattern and workers' frequent changes of job basically went on within these groups. .

## Recent Acquisitions in Japanese Books

Here is the answer to our problem. Others could summon the beings to come to our world and speak through their mouths.

### **Kazuo Nimura Trade Unions to the 'Nakama': Organizational Characteristics of Occupational Groups in**

There, it is argued that repression is necessary to prevent Christianity from disturbing the domestic political order in Japan. There is no question that contestation and negotiation over any kind of social power are inevitable among various actors in society.
