Overall 7 Story 6 Animation 9 Sound 9 Character 7 Enjoyment 7 Given the monumental amount of hype that Haikyuu seems to have within its own fan base, I hope that this review will not come across as more negative than I intended it to, so I would just like to start by saying that Haikyuu is for sure one of the better traditional sports anime I have seen, but even so it is still far from perfect.

Whether you are looking for a new favorite show or just need something to kill the time until the next Haikyuu!! Along the way, he might even find something else that he is passionate about besides studying and cramming for exams. When he first recruited Kiyoko into being a team manager during their first year in high school, after she retired from Track, she was seen wearing her hair in two pigtails. Nara at the base Has the lights.

### **Kiyoko Shimizu**

Tanaka asks Kiyoko if he could carry the medics aid bag and after hesitating she accepts. Surprisingly enough, she's shown to be very shy when it comes to giving a speech, such as when she wished the volleyball team to do their best.
