Dr Linda Clark

The Catholic church had, with little success, been trying to stamp out the practice of clandestine marriage at least since the Fourth Lateran Council 1215. None of the accused were executed. The most common punishments were penitential pilgrimages, the wearing of yellow crosses on clothing which was feared because it led to ostracism, and imprisonment.

Of mice and men : image, belief and regulation in late medieval England / edited by Linda Clark.

These ideas were inherited from the Ancient Greek author Galen, whose writings were translated into Arabic and then Latin. Linda was also responsible for directing the research of the other members of the team, and editing their biographies and constituency surveys for publication. The Roman game of Harpastum was a possession-based ball game in which each side would attempt to retain possession of a small ball for as long as possible.

Midwifery in the Middle Ages

Whilst the poor had to make do with traditional to cure their ailments, the rich could afford to pay physicians. I had Charles Dickens on my brain when writing this article.

Plague, Pox And Pestilence: How Did Medieval People Try To Survive?

Here, however, the digression can amount only to a brief warning.

16 Strange And Surprising Facts About Medieval England

Not long after the warning, Curley's wife comes into the bunkhouse claiming to be looking for Curley. This differential age at marriage pertains to actual marriage, usually with the setting up of a household, rather than a betrothal contract only which could be, and in cases of the ruling families and high nobility often was, made by the families while the children involved were still under the age of consent.

Caister Castle (The Gatehouse Record)

The most common symbol of the peasant woman was the distaff—a tool used for spinning flax and wool. The tense atmosphere was ripe for finding scapegoats.

Pandemics That Changed History: Timeline

Entering through Sicily in 1347 A. With no previous exposure, these diseases devastated indigenous people, with as many as 90 percent dying throughout the north and south continents.

Medicine in the Middle Ages

The association came from the formation of the Football Association FA on October 26, 1863.
