Slavery in the Great Lakes Region of East Africa (Eastern African Studies)

A new balance of power developed in the thirteenth century. Mobutu captures Lumumba, sends him to Katanga, assassinated. As it happened

Belgium along with its French and US accomplices adopted policy of backing Tutsi minority regimes wherever possible — so they would serve as their neo-colonial puppets — in other cases they funded and armed rebel forces that would keep the countries destabilized and deliver rich resources of Africa to them for cheap.
