Help Shape the Future of Swansea's City Centre

Swansea finished their debut Premier League season in 11th, but at the end of the season left to manage Liverpool. The report called on the prison to improve cleanliness and sanitation, particularly for vulnerable inmates who are housed away from other prisoners.

The Coolest Neighbourhoods in Swansea, Wales

The report also highlighted the lack of showers in all areas, which meant that not all inmates were able to shower every day. They built the docks and are credited by many as being those who built the foundations of our modern city.

Swansea, Massachusetts

Jason Smith — 37 The defender both goals against Bury, but had to retire with an ankle injury in October 2003 aged just 29. February, in particular, was the coldest month on record; the ruins of the town froze under layers of snow in conditions that recalled the nights of the Blitz six years before. In 1829 a competition was announced for the design of a bridge, funded by the legacy of £1,000 bequeathed by a Bristol wine merchant in 1753 with instructions that when the interest had accumulated to £10.

Swansea, Massachusetts

At the beginning of the 20th century, the tinplate industry was booming.

Swansea, Massachusetts

The prison did not do enough to prevent eight prisoners killing themselves.
