## Meet Mila De Rabba

Pyar hai ya sazaa, Aye mere dil bata, Toot ta kyon nahi, Dard ka silsila, Iss pyar mein ho kaise imtihan, Yeh pyar kaisi dastan, Ya rabba, de de koi jaan bhi agar Dilbar pe ho na, pe ho na koi asar Ho ya rabba, de de koi jaan bhi agar Dilbar pe ho na pe ho na koi asar Ho pyar hai ya sazaa, Aye mere dil bata, Toot ta kyon nahi, Dard ka silsila, Kaisa hai waffa ki ka, Na hai koi hal ki ka, Dhadkan bikhri ranjishein, Sansein tooti bandhishein, Kahin toh har honthon Pe hai, Kissi ki chaahat mein hai, Ya rabba, de de koi jaan bhi agar, Dilbar pe ho na pe ho na koi asar, Ho ya rabba, de de koi jaan bhi agar, Dilbar pe ho na pe ho na koi asar, Koi na sune aahon ko, Koi na tadapti ko, Aadhi poori khwahishein, Tooti sab farnaishein, Kahin shak hai nafarat ki hai, Kahin jeet mein bhi pal pal haar hai, Ya rabba, de de koi jaan bhi agar, Dilbar pe ho na pe ho na koi asar, Ho ya rabba, de de koi jaan bhi agar, Dilbar pe ho na pe ho na koi asar, Ho Pyar hai ya sazaa, Aye mere dil bata, Toot ta kyon nahi, Dard ka silsila? Vastu also deals with the philosophy of the architectural relation with the cosmic universe. But Kagedan is by no means the first Orthodox woman rabbi. She wears white mourning clothing for widowed women.
