Second Bridge 2049 The Second Bridge tested the sturdiness of one's heart by giving them a glimpse of Heaven Trampling power. They experienced innumerable tempering before they finally grew to become the most dazzling overlords in the three dimensions. This process also triggered his second Trial as an Ancient God and ultimately resulted in his Cultivator Avatar gaining an Immortal Celestial Body.

Kao gong ji dao du / Wen Renjun.

Beast Gu Masters that have the wisdom of a human are most often superior compared to human Gu Masters of the same rank, due to their more resilient bodies, high vitality, regenerative abilities, better vision and hearing, greater physical prowess, and longer lifespan. They form the five bodies within Dao Emperor Academy. When quoting or citing information from this site, please link to the corresponding page or to.

Dao Emperor Academy

Following this he was later guided by the remnants of the Ancient Thunder Dragon Soul and his Heaven Defying Bead to a thunder lake where he rebuilt his body exactly as it was but only with thunder. Initial After awakening his Divine Phoenix Sect Mark three times, Wang Lin's comprehension of fire reached a peak. By doing so Wang Lin was able to achieve the late stage of Arcane Void, but also ended up creating Slaughter Thunder by accident.

Dao De Jing : 1 : Parallel passages

These figures that could be called overlords in the three dimensions might have left Dao Emperor Academy a long time ago, yet a bond of master and disciple that is impossible to eliminate lay between them after all. His main body hasn't entered the Nascent Soul stage due to the Ji Realm.
