Engels was Right: Early Human Kinship was Matrilineal

Thus your own children stay in other tribes, but your sister's children live with you. Trinkaus and T W Holliday, 1997 Body mass and encephalization in Pleistocene Homo. You may, to be sure, point out that the germs of the paternal or, as you say, the individual family, may be found at the present day in conjunction with maternal clans which, after thousands or perhaps millions of years, are no longer primitive.

Robert Briffault

As a matter of fact, the worst errors in the theory of marriage have arisen from the confusion between the legally binding, economically founded, religiously sanctioned institution of marriage on the one hand, and casual and temporary intrigues on the other. According to this view, if women were not subjugated to their husbands and fathers as they are in patriarchal nations, then they were under the thumb of their brothers or uncles in primitive communities. After the seminar there was tea once more in the Senior Common Room, with Malinowski, Westermarck, Ginsberg, the Briffaults, and myself attending.
