## Land and Water Conservation Fund Grant Program

Connecting the Pacific Ocean with the land, the California Coastal National Monument provides unique coastal habitat for marine-dependent wildlife and vegetation on more than 20,000 rocks, islands, exposed reefs, and pinnacles along the California coastline. The Shooting Range Grant Program is a competitive grant program that assists with funding for non-profit organizations or agencies to establish, upgrade, expand, or improve public firearms and archery shooting ranges in South Dakota. The Secretary shall approve such conversion only if he finds it to be in accord with the then existing comprehensive statewide outdoor recreation plan and only upon such conditions as he deems necessary to assure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location.

## Land and Water Conservation Fund

The program provides up to 80 percent reimbursement funds for all kinds of recreational trail uses including, but not limited to: pedestrian use, biking in-line skating, equestrian use, cross-country skiing, off road motorcycles, OHV and UTV riding, four wheeling and snowmobiling. Overview The Land and Water Conservation Fund LWCF Program is a federal program authorized by Congress for the purpose of acquiring federal lands and assisting states and local governments with funds to acquire lands and develop and renovate outdoor recreation facilities. Existing Contracts Still Honored Contracts, agreements or easements entered into before the 2014 Farm Bill enactment date February 7, 2014 are still valid.
