Banlieues en feu ? Confiance !

Alors faire tout un cirque pour une grenade lacrymogène dans une mosquée pour ensuite arriver là.

La France brûle

« Le manque de logements sociaux et la question de la mixité sociale sont au centre des questions soulevées ces derniers jours par la crise que traverse notre pays.

La France brûle

Mobilizing social science for the public good.

Comment secourir une personne qui prend feu?

Sunday 6 November 2005 1,295 312 Île-de-France, , Eure, , Haute-Garonne, , Essonne.

French Sociology Under Fire: A Preliminary Diagnosis of the November 2005 “Urban Riots”

After the riots, 200 French parliament members called for legal action against several French rappers, accusing them of inciting the violence.

Banlieues : la colère d'une maire après le discours de Macron

. We can only hope, on the contrary, that it will encourage sociology to return to its burning issues. Communities in the countryside beyond the near-urban ring are regarded as being outside the city's strongest social and economic sphere of influence, and are termed communes périurbaines.

2005 French riots

Under fire: Sociological and political perspectives When confronted with the changes in modes of control in working-class neighborhoods, the role

of sociology remains to explain the social by the social. Monday 31 October 2005 NA NA Clichy-sous-Bois, 5.
