How to grow a Bonsai tree, for beginners

The Japanese version of potted trees, which had been previously called hachiue or other terms, were renamed bonsai the Japanese pronunciation of the Chinese term. Be sure to identify your Bonsai for specific instructions.

Bonsais for sale

Everything You Need To Become A Bonsai Master To begin caring for a bonsai tree, all you need is a pot, some soil, and a lot of love. Through these and other popular media, bonsai became known to a broad Japanese population.

Quality Bonsai Trees & Supplies

If you are looking for something specific, please call us. Indoors, a formal bonsai display is arranged to represent a landscape, and traditionally consists of the featured bonsai tree in an appropriate pot atop a wooden stand, along with a companion plant representing the foreground, and a hanging scroll representing the background.

Indoor bonsai trees and bonsai tree store.
