## Review: Third World Politics: Three Textbook Versions on JSTOR

The third edition is thoroughly revised and updated.

### Third World Politics: A Comparative Introduction by Paul Cammack, David Pool, William Tordoff, Paperback

This calls for the College of Business to prepare qualified students from a broad spectrum of society, to offer an appropriate array of sound baccalaureate and graduate degree programs, and to develop as one of the engines of economic development for its urban region containing local, national, and international businesses. This major textbook provides a clear and comprehensive introduction to the main analytical approaches and their use in the study of third world politics and development.

### Third World Politics: A Comparative Introduction by Paul Cammack, David Pool, William Tordoff, Paperback

The discussion is supported throughout by carefully-chosen, contemporary examples from around the world.

### Introduction to third world politics (Book, 2000) [perssongroup.materialsproject.org]

Online videos and tutorials guide students through some of the methodological components addressed in the book.
