### Case Reports from [perssongroup.materialsproject.org](http://perssongroup.materialsproject.org): University of Iowa Department of Ophthalmology & Visual Sciences

Iridocorneal endothelial syndrome: Chandler Syndrome variant Patient initially sought care for migraines with mild headache on the right side of her head and halos around lights through her right eye. Clinical Ophthalmology Research is an Open access, peer reviewed international journal aims to publish original research and reviews in clinical investigations and observations, surgical, diagnostic and therapeutic innovations, clinical trials, and new investigations in Ophthalmology and visual sciences.

### Clinical Ophthalmology: A Systematic Approach

This book will be of particular value as a revision guide to those preparing for examinations, as well as the busy clinician requiring a quick reference to a particular diagnostic or therapeutic problem. The ISSN of Clinical Ophthalmology journal is 11775467, 11775483.

### Clinical Ophthalmology

Community Ophthalmology The program to promote eye health and blindness prevention through public health methods. She had multiple instances of spontaneous, non-traumatic hyphema for which she had eventually sought medical attention. The patient noted a stable gray spot and visual distortion OD for the previous several weeks.

### Clinical Ophthalmology: Contemporary Perspectives

The double vision was worse with lateral gazes in both directions.
