Wodwo by Ted Hughes

In this sense, the narrator becomes more and more reliable as he advances in his journey of self-discovery, as a result of his developing conscience.

Wodwo by Ted Hughes

I seem separate from the ground and not rooted but dropped out of nothing casually I've no threads fastening me to anything I can go anywhere I seem to have been given the freedom of this place what am I then? Poetry Analysis: Ted Hughes's "Wodwo"

Then, compared to the other wild men, the wild woman is noticeably disproportionate.

Wodwo by Ted Hughes

From the earliest times, our sources associated wild men with hairiness; by the 12th century they were almost invariably described as having a coat of hair covering their entire bodies except for their hands, feet, faces above their long beards, and the breasts and chins of the females. There are also some ndtm explaining the dramatic background of Se previous poems. It appears as though he has been given the freedom of the place; however, it is this freedom that lends him disorientation-as he does not know where he belongs to,he cannot explore his roots.
