Serif

No more to you at this time, but the Holy Trinity have you in keeping. Newspapers have headlines in Latin letters, but almost all articles are printed in Cyrillic.

V&A · Embroidery

To his dear halfbrother and wellbeloved friend, master B. Two samplers in our collection worked by sisters Mary and Elizabeth Richards around 1800 are similar enough in style to suggest a shared upbringing.

Serif

Before the introduction of printed designs, embroiderers and lacemakers needed a way to record and reference different designs, stitches and effects. She taught at the Central School of Arts and Crafts and later The Royal College of Art, as well as publishing a major book on samplers Samplers and Stitches in 1920. Herodotus it appears that the Greeks simply adopted most of the Phoenician signs but added the vowels that the Phoenicians had left out.

German Script Alphabet Information

X stands for the cross, On which Christ died in pain; How great was his loss! In fact, the alphabet was generally regarded as the first step to learning words, phrases, and stories that in turn would teach social and religious concepts.
