## Culture

In Chapter 2 we discuss the earliest connections people had to each other and to the land.

## Vuntut Gwitchin First Nation Final Ageement

Federal funding is being distributed through the Yukon First Nation Housing Partnership program. Trapline concession maps were digitized, using GIS technology, enabling the department to work with traditional territory maps and concession maps to address trapline related issues.

## Umbrella Final Agreement between the Government of Canada, the Council for Yukon Indians and the Government of the Yukon.

The Minister of Renewable Resources appoints the members of the Fish and Wildlife Board and the Renewable Resources Councils. It also has a role in the development of management plans for special wildlife management areas.

## Vuntut National Park

Within 60 days of receipt of such notification, the Parties shall prepare a workplan to address the Vuntut Gwitchin First Nation's priorities for negotiation. The Ratification Committee shall make reasonable efforts to provide all eligible voters with a reasonable opportunity to vote.

## How Yukon First Nations became Indigenous Rights trailblazers

The membership is comprised of three Commissioners, one nominated by CYFN, one jointly by Canada and the Yukon, and a third person chosen by the two nominees. This working group addresses matters of concern in the implementation process.

## **Vuntut Gwitchin First Nation Final Agreement.**

I-5, Vuntut Gwitchin Tribal Band shall cease to exist and its rights, titles, interests, assets, obligations and liabilities, including those of its band council, shall vest in the Vuntut Gwitchin First Nation. There are 14 First Nations in Yukon, 11 of which have entered into unique self-governance agreements with the territorial and federal governments. The Land Claims Secretariat continues to monitor the implementation of the first four final agreements by coordinating the activities across the Yukon Government.

## **Amendment to the Vuntut Gwitchin First Nation Final Agreement**

The Board is mandated to make recommendations on all questions related to fish and wildlife management legislation, research, policies and programs. The branch also updated the database of the Yukon Geographical Place Names program, began work with First Nations on heritage resources future management plans for Rampart House, Lapierre House and Sha'washe, and undertook various activities to increase stakeholder and public awareness of heritage provisions in the Final Agreements. Outfitter compensation provisions were established through an agreement between Canada and the Yukon Government.

## **A land agreement in Yukon just set tone for conservation in the North**

Because of this, Yukon First Nations people have Aboriginal rights and title on the land they traditionally used and occupied.
