Ives, 2005 When she died aged 91, Wilhelmina Barns-Graham, was the last surviving member of the original St Ives Group. Where to study the work of Wilhelmina Barns-Graham The Wilhelmina Barns-Graham Trust manages her collection, library and archive, and provides bursaries and scholarships.

The Barns

The scraping process produced a picture surface of varying and luminosity in which successive paint layers can be seen through each other. Barns-Graham: Retrospective 1940-89, exhibition catalogue, City of Edinburgh Museums and Art Galleries, 1989, p.

‘Red Form’, Wilhelmina Barns

The design was drawn over an off-white oil ground in pencil and paint was applied in layers up to four in places that varied from thin washes to thick scumbling.

Barns

The crystalline appearance of this passage, which the title of the work points up, reflects the crystal patterns of the broken pieces of ice.

‘Glacier Crystal, Grindelwald’, Wilhelmina Barns

Barns-Graham was invited by the Brotherton family, friends from St Ives, to drive with them to Switzerland in the summer of 1948.
