### Calendars

If you opted out of including any of your orgs in the sandbox preview, they will be upgraded this weekend. Dress the little ones up in snow gear for January, red and pink love-themed outfits for February, and green sweaters and hats for March. If you are using Dynamics 365 Business Central, you can get to know the preview features in sandbox environments close to the General Availability release, or by contacting your reselling partner.

### Nordstrom Anniversary Sale 2021â€”What to Shop

Make sure to download the Nordstrom app, so you can get push notifications and preview the sale from your phone. Visit our for the best discounts.

### New and Upcoming Books, Seasonal Book Listings

Without further ado, check out these must-have picks from the Nordstrom Anniversary sale this year.

### Dynamics 365 release schedule and early access

Expect to see sales across all departments, but the best savings will be on home goods, fine jewelry, and apparel. Get up to 25%—70% off clearance items for a limited time at Macy's. Here are step-by-step instructions about how to.

### Summer '21 Sandbox Preview Is Here

You can expect deals of 25%—75% off everything plus an extra 10%—15% if you're shopping with a promo code.

### Kroger Weekly Ad (08/04/21

Either way, is officially live, so you can start adding items to your cart and building your wish list ahead of the event.

### Calendars

Which environments do I use for previewing the features? The full lineup, from the techo covers to accessories, will be revealed on August 25.
