Adam July 23, 1898 — March 23, 1973 was an American painter and illustrator who divided his career between and. He may have based his interpretation of the Chopin sonata on that of Rubinstein.

Sergei Rachmaninoff

In January 1914, Rachmaninoff began a concert tour of England which was enthusiastically received. The theatre staged the premiere of his operas and.

Wilbur G. Adam

Though the tour increased the composer's popularity in America, he declined subsequent offers, including that of conductor of the Boston Symphony, due to the length of time away from Russia and his family.

Alexandra Exter, Avant

Rachmaninoff began piano and music lessons organised by his mother at age four.

Sergei Rachmaninoff

Later that month he complained of persistent cough and back pain; a doctor diagnosed him with pleurisy and advised that a warmer climate would aid in his recovery. Dates in the article are taken verbatim from the source and are in the same style as the source from which they come. Upon graduating, Rachmaninoff continued to compose and signed a 500-ruble publishing contract with Gutheil, under which Aleko, Two Pieces Op.
