## History is what you can remember: 1066 and All That

He experiences some of the major events and characters of British history, starting with the Romans. She starts telling me about how she's been in hospital all day and she hasn't had any water for 10 hours and did I know what that does to you? The book and lyrics were by ; the music was composed by.

There's great wordplay and a real sense of fun. May show some signs of use or wear.

## A historical classic

Luton, which is full of sweet men who take charge. And yet I can see in the UK it might be haute cuisine. Please note the Image in this listing is a stock photo and may not match the covers of the actual item, 250grams, ISBN: Description: New York.
