The Iranian Revolution and women's rights

It began with a surge of economic unease, after the oil-fuelled boom and rapid development of the early 1970s began to falter, with rising inflation and unemployment. It is reasonable to make a connection between this stability and the Islamic part, unlike the anti-clerical or secular regimes set up by the French and Russian revolutions.

How Iran's Islamic Revolution Does, and Does Not, Influence Houthi Rule in Northern Yemen

Khomeini gave Islambouli the status of a martyr and named a street in Tehran after him following his execution by the Egyptian state in 1982.

The Iranian Revolution and women's rights

With Khomeini openly calling for the downfall of the House of Saud, using the hajj to stir unrest in the kingdom, the Saudi leadership began to fear that it would suffer the same fate as the shah.

The Political Ideology of Ayatollah Khamenei: Out of the Mouth of the ...

Social and political protest was often met with censorship, surveillance, or harassment, and illegal detention and were common.

The Fundamentals of Iran's Islamic Revolution

Thaler, Nora Bensahel, Kim Cragin, Jerrold D. The United Kingdom helped establish a monarchy in 1921. Khamenei is the second person to take up the mantle of supreme leadership.

Class and Politics in Post

Strikes and demonstrations continued and increased in intensity, especially in the religious season of Ashura in December.
