Consumption of foreign or luxury goods became strictly forbidden. In this passage, Yongsŏng teaches that merits should be earned through diverse activities in life, and this teaching constitutes the core of his Great Enlightenment Movement. .

Makers of Modern Korean Buddhism (S U N Y Series in Korean Studies)

. I was recently tested for HIV when I had gone in to check if I had malaria. The persistent gap between the dream of private homeownership—articulated in English and imported from Japan—and the reality of the housing shortage in Korea at the time demonstrates that the term maihom was less indexical than symbolic.

Milawu Ya Xikwembu Yi Hi Pfuna Njhani?

The Dwarf, however, suggests no blueprint for a structural, let alone scientific, reform of this dystopia; in its stead, the novel offers only fragmentary poetic fantasies. For the man at least, the apartment promises powerful, albeit temporary, relief from the pressures of maintaining social respectability and family obligations, and provides him a space where he can assert his individual freedom and romantic choice. .
