## The Avalon Project : Control Machinery in Austria; July 4, 1945

Correspondence, case files, reports, and other records of the Property Control and External Assets Branch, 1944-50, and the Reparations and Restitution Branch, 1945-49. Consequently, their instructions and policies were not exclusively directed towards Austria see. As soon as departments of a central Austrian administration are in a position to operate satisfactorily, they will be directed to assume their respective functions as regards Austria as a whole.

## Austria

The remainder of the trip is by train. AREA COMMAND, with headquarters at Camp Riedenburg in Salzburg, is responsible for the operation of all installations in the US Zone of Austria, except Vienna. Jim was a member of the 65th Infantry Division during WWII.

## Records of U.S. Occupation Headquarters, World War II

The left side was for the more distinguished crowd, all with different nationalities, foreigners who had been thrown into the war. The copyright of this article resides with the author or publisher indicated. We Austrians also will keep our promise never to take part in a fight other than the battle for peace and justice.

**Agreement on Control Machinery in Austria July 4, 1945**

Just as in the United States, training is a continuous process in Austria. Army Forces, Western Pacific; and Headquarters Ryukyus Command and its successors, Headquarters Philippines- Ryukyus Command and Headquarters Ryukyuan Command, all in Records of U.
