Developing a teaching portfolio : a guide for preservice and practicing teachers (Book, 2001) [perssongroup.materialsproject.org]

A two-part organization explores portfolio building for students and novice teachers who have yet to engage in this activity and then offers a menu of topics from which more experienced educators can choose to inform their creation of targeted, results-oriented portfolios for a variety of situations. Closing Thoughts and a References section in every chapter. It's the reason you always get the best out of them.

Developing a teaching portfolio : a guide for preservice and practicing teachers (Book, 2001) [perssongroup.materialsproject.org]

Like other professionals, teachers need evidence of their growth and achievement over time. Content to Include Because a portfolio describes and documents the abilities of a unique individual, no two teaching portfolios look alike. Also, the process allows us to collaborate with mentors and other colleagues.
