### Environmental Health

Forest Rangers protect the state's forests and the people who use these natural resources from all kinds of dangers and often conduct wildland search and rescue operations. Ninety-five writers from our community partners contributed to the report. The CHA process is led by the Partnership for a Healthy Durham, Durham County Department of Public Health and Duke Health.

### Department of Environmental Quality

The ROE represents the best available indicators of national trends in five theme areas:

### Welcome

To report an environmental emergency, please contact DE P re gional offi ces between 8-4 pm and 1-800- 541-2050 between 4 pm and 8 am. We assist businesses to protect the environment, worker safety, and public health.

### COVID

For other environmental crimes, an officer will be dispatched during weekday work hours, or an officer will follow-up by telephone during off hours.

### COVID

Most importantly, you, the public, are seeing yourselves as custodians of the nation's environment, and have become aware of how your actions can affect the health and welfare of our communities. A person with multiple tests is only counted once.
