The regulations concerning military courts prohibit a form of judicial appeal from or questioning of a sentence or decision of a military court. The system has been developed as an institutional strengthening project activity. It consists of the following three parts: Part I.

Official proceedings of the annual meeting: 1903

There have been very detailed recommendations in comprehensive reports, such as the Report on the Upgrading of the Port Moresby Water Supply in 1996 and the Poreporena Freeway in 1992. The fact has to be faced that since the introduction of the mandate it has been impossible to find common grounds between the Arabs and the Jews. Outline of the structure and required provisions in the constitutions of Palestine III.
