## Denver's unknown (but passionate) art collectors

One such work is , in the collection of the Mead Art Museum.

## Russian Enamels

Their collection takes advantage of a great demand among the collectors of the world who are determined to find the most significant pieces of the Russian school available. Talking over the importance of harmony in painting, Ilya made a point that struck me — that harmony in painting is simply the result of a strong connection to nature. His intention was to set up a special art department in the newly established Academy of Sciences, but death intervened.

## A Collector

For more about visual arts in Russia and the Ukraine, see: Nikita Fedosov, Zabelin, Surikov, Levitan — were true professionals.

## Russian Art Dealer

In short, he shows you why in more detail than the above paragraph Kazimir Malevich went from: Kazimir Malevich, Red Square, 1915 , to Kazimir Malevich, Portrait of Nikolai Punin, 1933.

It never, of course, competed with the Hagia Sophia in Constantinople; but with its shallow main cupola, and other secondary cupolas, and its two flanking towers at the west front, it was at that time the finest and richest church built in Russia under Byzantine influence. I imagine Post had her reasons for displaying a Bouguereau in a closet then instructed that her estate remained as she left it postmortem. Among other things, the group became interested in mail art, and many artists, including Timur Novikov and Ivan Sotnikov, sent creative correspondence.

Nine out of 10 purchases at auction these days are being taken back to Russia, says Swanson, the Utah museum director and consultant. The desire to preserve popular legends in permanent form resulted, in Russia, in its development from the Greek image eikon, and from the icon was developed an original Russian form, the painted screen or iconostasis, which was established everywhere by the fifteenth century.
