WINDS OF EVIL by Arthur W. Upfield (HC/DJ) 1961

The mother of E-mah, holy Damgahuna, left her city. I can't wait to read another Boney mystery even though I spend hours searching the web for images of the blue tongued lizard, Kookaburra, galah, boab trees and mythical bunyip. They are not PC - Upfield uses gender and ethnic language as it would have been used at that time.

Winds of Evil by Sharon K. Gilbert

Upfield presents an issue for the modern reader. The area in the Sinai Peninsula where the destroyed spaceport had been is indeed covered -- to this day! They don't fit the profile. In return, I got him Florida writers Marjorie Kinnon Rawlings and Tim Dorsey.

Winds of Evil by Arthur W. Upfield

Winds of abundance he took from the land. While she hopes to find an idyllic world where she can rediscover herself, what she discovers instead is a nest of spiritual vipers whose dual purpose is to corrupt the humans of the picturesque river town and force God into a showdown with their genetically perfect Man of Sin.

Wind Evil

Not only will I buy other Arthur Upfield books, there's a good chance I'll re-read this one.

Winds of Evil by Arthur W. Upfield

Bony, the detective, is in the church of the great detective, very self assured of his abilities and unique observational skills, but an entirely different pew, since his talents lie in his Aboriginal roots and his ability to track and read the signs of nature, besides intuit human behavior. The town's leaders are being blackmailed, and one has committed suicide. .

Winds of Evil by Arthur W. Upfield

In this plot the half-caste detective Napoleon Bonaparte is tracking down a person who strangles people during violent dust storms. In this installment, he has a rather perplexing mission: he must not only solve a crime that is a year old, but he must prevent another one from happening.

Winds of Evil by Arthur W. Upfield

But that shouldn't stop anyone and it didn't me from enjoying the rest of the story.
