## SUMMARY OF THE COMPENDIUM OF THE SOCIAL DOCTRINE OF THE CHURCH

The third part, which is quite brief, with just one chapter, contains a series of recommendations for the use of social doctrine in the pastoral activity of the Church and in the life of Christians, above all the lay faithful. In our current world, unfortunately, human rights, although they have been proclaimed in so many important documents, are not always respected. Against the background of universal religious experience, in which humanity shares in different ways, God's progressive revelation of himself to the people of Israel stands out.

The establishment of ecclesial associations, which can guide the faithful in their actions in this field, is another step recommended by the Compendium. This is a form of property that has such a profound impact on the economic, cultural and political life of those peoples that it constitutes a fundamental element of their survival and well-being.

### Compendium of the Social Doctrine of the Church (2004): An Introduction

This is why social doctrine is thought, of course, but for action: it needs hands, a commitment, people who sow the message of justice and peace that she proposes, in economic, social and political life.
