Borrowing from Hobsbawm and Roger Smith, Austria can be seen as convincing case study for modernism.

Questions concerning Liechtenstein during the National Socialist period and the Second World War

Liechtenstein ist Mitglied der UNO, der WTO, des Europarats, des EWR und mit der Schweiz wirtschaftsverbunden. Authorized by Hitler in October 1939 backdated to September , the program of killing handicapped and mentally ill people in six centralized killing facilities became quickly well known in the German public. While this whole view also bears relevance for WWII, the time of the second Yugoslavia was one during which this idea of the Balkans as particularly violent or prone to ethnic strife almost disappeared, only to make a comeback with a vengeance during the Yugoslav wars of the early 90s.
