But now, if you worry about how your child is getting on and want to check the books your child is reading compared to children at a similar level, it is likely that schools nearby are using a different method and reading scheme.

Reading Chest

I love this idea of making the characters from a book. Children often find non-fiction books a bit harder to read than fiction books, but Project X books are particularly accessible to early readers by including some of their fictional micro-size characters such as Max, Tiger and Ant to help explain topics.
