**Inside American education : the decline, the deception, the dogmas : Sowell, Thomas, 1930**

This was also documented by in 2012. There is no actual debate on a topic; the point of view is pre-determined. How is it, for example, that a racially homogeneous nation like Japan could have its students better educated than those in the U.

**Inside American Education: The Decline, The Deception, The Dogmas**

Inside American Education: The Decline, The Deception, The Dogmas, The Free Press, New York, 1992. Higher-level reasoning and literary analysis combined with weekly tests result in student success.

**THE SPLINTERING OF THE AMERICAN MIND**

A computer cannot compensate for a teacher properly schooled in his discipline, who uses textbooks that are not politically skewed; avoids identity politics; and understands that students need to be trained, not coddled. It was not very interesting and I find myself getting bored when I had to read the chapters.

**Inside American Education**

Yet the author makes some divisive statements himself—e. Then there is , which asks students to evaluate other student writing.
