Exploration and trade in Elizabethan England

The first big growth spurt for the world population occurred in the mid-20th century. In the European war, the British monetarily supported the Prussians, as well as the minor western German states of Hesse-Kassel and Braunschweig-Wolfenbüttel. Throughout history, blame for the introduction of slavery in America has been squarely placed upon the slave traders who ravaged African villages, the merchants who auctioned off human lives as if they were cattle, and the slave owners who ruthlessly beat their helpless victims.
