### What is Christian faith?

It seems counterintuitive when you are struggling to keep your head above water.

### FAITH

Faith accepts and believes it as the very truth most sure. God is saying to his sinful human creatures, if you want to live in a GOOD relationship with me, have faith in me, trust me that I can and will bring you back into a joyous and providential relationship with me as you believe upon my Son, Jesus, and accept his sacrifice for your sins. Who is willing to accept either proposition? If faith in the Synoptic Gospels means confident trust based on God's promise as understood through his word and the person of his Son, then in Acts, which serves as a bridge between the Gospels and the Epistles, it is that and more.

### What does FAITH stand for?

Putting It All Together So now you can see how belief and faith are interrelated. True faith not only believes Christ can save us, but actually trusts Him to do it.

### Faith (Stanford Encyclopedia of Philosophy)

Saving God: Religion after Idolatry, Princeton, NJ: Princeton University Press. Others hear the message, agree that it corresponds to reality, but due to the hardness of their hearts do not bow.

### The Meaning of Faith

Gentiles ; ; ; , Jews ; ; ; and people of both genders will be saved when they believe in the Lord Jesus Christ. Faith, therefore, has its seat in the moral part of our nature fully as much as in the intellectual. An account of the conditions under which faith is permissible is thus the key to an ethics of faith.
