Military intervention and non-intervention in Brazil, 1889-1932. London: Hudson's Bay Record Society, 1940.

Languages in St Vincent and the Grenadines : An annotated bibliography

It would be a grand gesture of international solidarity of subject peoples, and would at the same time offer them experience in 7S.

Languages in St Vincent and the Grenadines : An annotated bibliography

The vision of a route to Cathay, or the en- charnted East, yet lingered in many minds and even affected the gallant La Salle as, after various adventures, the expen- diture of private means upon fur-trading expeditions and minor explorations, he set out in 1682 to find the mouth of the Mississippi, and, perhaps, a passage to China itself.
