## Presentist Shakespeares

This skepticism is just as prominent in the field of Renaissance studies, where most new historicist, Foucauldian, or post-structural studies on More consider Utopia as a less than radical text, emptied of its good intentions by its colonial form and policies and its fantasy of instrumental rationality, state power, regulation, and repression.

## Chapter Five

Assignments will generally be due online via Canvas, and the course site will shut down the possibility for turning in work after the assigned due date and time. PRINTED FROM OXFORD SCHOLARSHIP ONLINE oxford.

## Stigma in Shakespeare

I want to take them seriously because I feel the more research into the period the better. Presentist criticism is an open-ended and on-going project, located at a particularly interesting and demanding juncture in modern Shakespeare studies. Get your erotic, Ovidian Shakespeare poems, all in one place! A discovery could be made tomorrow which would clear it up.

## 5 Shakespeare Scholars on the Past, Present, and Future of Theater Amid COVID

Remember: BACKING UP YOUR WORK IS YOUR RESPONSIBILITY! New York: Palgrave Macmillan, 2009. Durham: Duke University Press, 1996. The above was first posted in 2011 when the film Anonymous would supposedly arm the masses with the correct knowledge and academic uprisings and outright rebellion could begin.

## Historicizing Shakespeare's Language: Social Discourse and Cultural Production (seminar)

The most strident are the Oxfordians. . James Holstun and Richard Halpern also explore how Utopia recodes peasant dispossession as the basis for its imaginary state.

## HISTORICIZING SEX

Public Humanities aims to expose a broad audience to cutting-edge research, engaging the public in attempts to address the issues facing society today, highlighting the critical role humanities scholarship has to play, and facilitating scholars as they demonstrate the value of their research. This rough, early vision of a twenty-first-century commons is a far cry from the monarchically instituted organization described by Raphael, but it is an objective that emerges through a critical and recuperative perspective on past utopian and commons traditions, both lived and literary. What varying power relationships are reflected in their language, and how might the language of Elizabethan suitors' letters illuminate the persuasions of the love goddess in or Desdemona's suit to Othello to reinstate Cassio? But then the post-war periods saw big rebounds in interest in Shakespeare.

### **Hillary Clinton to Lady Macbeth: Or, Historicizing Gender, Law, by Carla Spivack**

Other times it means using modern ideas to unpack early-modern texts and traditions, as in the project. But it seems likely that theaters will suffer, schools and universities too. Then when ad hominem attacks rain upon his memory, we respond in kind to those spitting the poison.
