The answer led him to the conclusion that '13 A' occupied the situation in the hotel which had been described by his brother and sister as the situation of '14.

## Imperial Theatre

The play was performed in Dutch, but I was provided with an iPad already installed in front of my seat with English subtitles which worked perfectly through the whole play; once again highly impressive. The theatre is beautiful, located in the city centre, easy access. Random House Kernerman Webster's College Dictionary, © 2010 K Dictionaries Ltd.
