The Sikh Rehat Maryada : Section Two

It is a dynamic and practical religion. So this work should take precedence on any sectional beliefs and preferences.

A Guide to the Sikh way of Life

The deviants and slow movers are to be treated with sympathy and loving care so that they learn their roots and join the main stream. Because of these fundamental changes in our living conditions, the code must accept a liberal framework for our practices and expectations. The report was in Punjabi and typed in the Gurmukhi script leaving it vulnerable to the errors introduced while rendering it into English.

Book Review: Sakhi Sikh Rehat Maryada

Yes, I agree that identity is an important part of people living in organized societies and political environment calls for such to protect your freedoms and liberties. On joining the holy congregation, Sikhs should take part and obtain benefit from the joint study of the holy scriptures. It is one of many Rehitnama 'codes of conduct' written for Sikhs.
