Prestwich Family

Does anyone know where he went after his marriage? By 1912 the population had increased to 12,800, and from the 1930s onwards the remaining fields were developed and by 1961 the population reached 31,000 and Prestwich had become a suburb of Manchester. What we are left with is a black hole and we have to peer into it somehow. Many thanks for any information.
