### Civil litigation/class actions: plaintiff in United States

Legal research, drafting briefs and motions, taking and filing depositions, preparing clients for hearings and taking to the stand and representing the clients in court all fall to associates on pro bono matters.

### Best Antitrust Lawyers in America

Many times, antitrust conspiracies are intentionally concealed from observation.

### Civil litigation/class actions: plaintiff in United States

We provide preeminent criminal and civil antitrust litigation defense, government investigation defense, expedited transaction clearance and real-world counseling experience. Create a personalised ads profile.

### Antitrust Litigation 2020

Yet the reality is that not every business succeeds.

### Antitrust and Unfair Competition

Privacy class action lawsuits are increasingly rocking up in the courts as consumers take on companies whose data breaches exposed personal data. The strength of the clients' feedback determines the rankings awarded to a firm.

### Antitrust Litigation

Class action suits are another area exploding onto the litigation scene and are helping to drive the privacy boom. Our frontline experience before the agencies and the courts allows us to provide invaluable insight when counseling clients, while standing ready to aggressively defend or quickly resolve antitrust and unfair competition claims. Banking, retail, real estate and chemicals are among the industry sectors covered recently.

## **Anti**

Goodwin has extensive experience guiding clients through both public and private mergers and acquisitions transactions of all types including leveraged buyouts, tender offers, spinoffs, divestitures and go-privates both in the United States and around the world. CLS Bank, eliminated a number of software patents and business methods previously considered patentable and has also made it easier for defendants to get rid of patent infringement cases before they reach court. We take the reins on merger review, class actions, multi-district litigation and investigations and enforcement activity by the FTC, DOJ and state attorneys general, and have a demonstrated history of reaching optimal resolutions.
