## adventure of cardiac surgery

Spirometer, location and the people in the photo were unidentified. Clinical trials have shown symptomatic improvement in some patients , but without proven improvement in the ventricular function.

## Die Chirurgie der Brustorgane. (Book, 1920) [perssongroup.materialsproject.org]

This steel bar was pushed through the caudal end of the sternum from side to side, bridging the newly created gap between the sternum and ribs. Soon afterwards, glutaraldehyde was used to fix porcine and pericardium valves by Hancock, Angell and Ionesco. Hänet nimitettiin preussilaiseksi hovineuvokseksi vuonna 1934 ja hänelle myönnettiin vuonna 1937 Saksalainen palkinto.

## Chirurgie der Kleintiere

Sauerbruch F: Operative Beseitigung der Angeborenen Trichterbrust. Lecompte introduced the manoeuvre of placing the aorta behind the pulmonary artery, thus reducing tension and eliminating the need for prosthetic graft.

## Pectus excavatum

With Victor Schmieden 1874-1945 , Sauerbruch published the sixth edition of Chirurgische Operationslehre by August Karl Gustav Bier 1861-1949 , Heinrich Friedrich Wilhelm Braun 1862-1934 and Hermann Kümmell 1852-1937. Aviopari sai tammikuussa 1910 pojan, Hans nimeltään, josta tuli taidemaalari.
