## Last oasis (1997 edition)

Engineering projects, ever larger as demands spiral upward, have created an illusion of plenty even in the midst of scarcity. .

## Worldwatch Hypes

SAVING THE PLANET How to Shape an Environmentally Sustainable Global Economy Authors: Lester R. Her previous book, Last Oasis, now appears in eight languages and was the basis for a PBS television documentary.

## The Last Oasis: Facing Water Scarcity

Irrigation has been a powerful tool of human advancement for 6,000 years. Only by working with nature, not against it, can we develop more effective climate solutions and improve water management to restore degraded ecosystems.

## Worldwatch Hypes

By and large, water has become strictly a resource to be dammed, diverted, and drained for human consumption.

## The Last Oasis: Facing Water Scarcity

Investing in water efficiency, recycling and conservation help meet rising demands and stave off disaster. But the priority is a common recognition of the gravity of the position, and with that a widespread push for institutions to manage sustainable use of water. Los Angeles Times Book Review.
