The Society uses technology to track the patterns of behaviour of visitors to our site. It is uniquely yours and can only be read by the server that gave it to you. We can learn what information is important to our visitors, and what isn't.

Bestsellers

Instructions on how to do this can also be found below.

Bestsellers

They too are removed once your session has ended.

Bestsellers

All information is recorded anonymously. They are removed once your session has ended.

Bestsellers

It is only used to improve how a website works. They expire within 4 hours of your visit. We use this information to make our website, the content displayed on it and direct marketing communications we may send to you or contact you about more relevant to your interests.

Bestsellers

It is essentially your access card, and cannot be executed as code or deliver viruses. Using Google Analytics allows The Society to better understand how members use our site and monitor website traffic.

Bestsellers

. This allows us to personalise our content for you. For example, In Internet Explorer, go to the Tools Menu, then go to Internet Options, then go to Privacy.
