A Policy Calculated to Benefit China: The United States and the China Arms Embargo, 1919

When Sun Yat-sen failed to secure arms from the West, he turned to the Russians for assistance.

China is rehearsing for when it overtakes America

The book reexamines the years when the United States was ostensibly neutral 1914-17 , the subsequent period of American military involvement 1917-18 , the Paris Peace Conference of 1919, the ensuing battle for ratification of the Treaty of Versailles in 1919-20 , and the activities of Wilson's successors--culminating with the Dawes Plan of 1924.

For China's Internal Stability: U.S. Arms Sales Policy, 1929—1936 on JSTOR

Though well intentioned, the embargo did little to improve the situation; the Soviet Union was the only nation to benefit from it. Hannigan argues, moreover, that these fundamental objectives continued to guide Wilson's Republican successors in their efforts to stabilize the postwar world.

His work is to be welcomed, a solid contribution about an important but neglected topic.

Policy Calculated to Benefit The United States and the China Arms Embargo, 1919

Ironically enough, the cooperative policy ended when the Soviet Union did for Sun Yat-sen what the Japanese had been dissuaded from doing for Tuan: helped him build a modern army, with which his successor Chiang K'ai-shek conquered and unified China in 1926-27. But Valone balances these weaknesses with analytical acuity and a real sense of how diplomacy works. .
