Landa, Landa: 10 definitions

After Ramkhamhaeng's death, Sukothai lost control of its territories as its vassals became independant. This pandemic has imposed some light on the relevance of staying hygienic and pertaining measures to boost our immunity.

Buddhist History

Buddhist texts mentions that for this vihāra, the Buddha himself had provided various specifications on the architectural and artistic details.

Nalanda University

We accept it as the highest, noblest, and most heroic to follow the career of a Bodhisattva and to become a Samyak-sam-Buddha in order to save others.

Nigantha, Nigantha, Niganthā: 5 definitions

He insists that all monks be assigned to cloisters and carry identification documents. With a familiar topic in hand, the child becomes impulsive enough to think and bring in conclusions from their own experiences. Remember your childhood when all your siblings would prepare a hideaway or fort in the backyard to enjoy the monsoon.
