Irish film Arracht eschews Brit bashing to tackle famine taboo

It is a constituency of people who live in the towns and countryside that lie adjacent to the Border.

New Irish film *Herself*, reviewed by Cahir O'Doherty

Across the chapters, key intersecting themes arise that push the limits of how we currently approach issues of Muslims in cinema and ventures to lead us in new directions for future scholarship. The principle of democratic change is fundamental to the Good Friday Agreement.

Irish film Arracht eschews Brit bashing to tackle famine taboo

The seat once held by Edward Carson, the father of modern Unionism. This exploration does not treat the auditory level in isolation but considers how it interacts with moving images, montages, aesthetic and narrative concepts within the audio-visual histosphere. Featuring a dream partnership of Brendan Gleeson and Colin Farrell, *In Bruges* follows two assassins hiding out in the Belgian city of Bruges.

'Wolfwalkers' Review: Cartoon Saloon Hits New Artistic Heights In Return To Irish Folklore

At the end of the year, they into the killing of Pat Finucane. A true story, *In the Name of the Father*, is definitely worth a watch this St.

These fantastic new Irish films will light up the fall

Conor falls in love with a mysterious girl Lucy Boynton and sets up a band to impress her and promptly rebels against the school's archaic policies.
