## Collections

The image belongs to one of the larger sections in Sander's project, classes and professions, which sprawls through portfolios that depict the student, scholar, official, doctor and pharmacist, judge and attorney, soldier, aristocrat, clergyman, teacher and educator, businessman, and politician.

## August Sander (Getty Museum)

Sander, however, was a very great photographer.

## Collections

In it, Sander aimed to document Germany by taking portraits of people from all segments of society. Sander practically ceased to work as a photographer after World War II. Lent by Anthony d'Offay 2010 c.

## Collections

Sander believed that society was organized into a hierarchy of occupations.

## Collections

In 1901, he started working for a photo studio in , Austria, eventually becoming a partner 1902 , and then its sole proprietor 1904. Paul Getty Museum Massachusetts, Harvard University Art Museums New York City, Metropolitan Museum of Art New York City, Museum of Modern Art New York City, ICP—International Center of Photography New York City, New York Public Library Ohio, Cleveland Museum of Art Philadelphia, Philadelphia Museum of Art Rochester, George Eastman House San Francisco, San Francisco Museum of Modern Art Santa Fe, New Mexico Museum of Art Seattle, Seattle Art Museum Washington D. In this image, her skilled hands are gently poised and her face deeply introspective, befitting her artistic specialization of portrait busts.
