Songhai Empire

Killingray, Fighting for Britain, 52-53. The regiment's part in the campaign against von Lettow-Vorbeck in East Africa is fully described. Both of the latter items were normally red, although there were some battalion distinctions with Nyasaland units, for example, wearing black fezzes.

The Ahosi Of Dahomey

Thus, Western learned concepts of what constitutes a good story or great music can differ significantly from the aesthetic ideals of the African cultures.

Tales from the King's African Rifles (2001 edition)

Askia appointed Qadis — Islamic magistrates and judges — in several big cities such as Timbuktu, Djenné and Gao. His reign, which lasted from 1493 to 1528, saw him continue in the footsteps of Sunni Ali. There is a brief yet poignant scene where Bouchareb displays a sense of cross-racial fraternity between these French West Africans and their European counterparts when the African protagonist carries the body of a mortally wounded French soldier to the barracks in the fighting of 1940.

Ten of Africa's Most Powerful Kings, Queens, Warriors and Legends

According to accounts from the Tarikh al-Sudan the History of the Sudan , the Great Za was considered one of the earliest Songhai kings. He led several victories against the British army early in the war. Language is a primary means of learning and transmitting ones culture, and it is used to help define and distinguish different ethnic groups and cultures.

Tales from the King's African Rifles (2001 edition)

There were no organic heavy weapons each company had one machine gun , including artillery or organised reserves and the companies were, in reality, large platoons of 70 to 80 men.
