### **Equity in Aging**

With the advent of Medicare and Medicaid, assessment of older hospitalized adults who were at risk for problems, which could negatively affect their health care outcomes, became extremely critical. In 1980, the JCAH standards on quality assurance mandated that discharge planning should be initiated through early determination of need, such as use of early screening for high social risk patients.

### **Focus on Aging: Federal Partners' Webinar Series**

Furthermore, the over-80-year-olds are the fastest-growing cohort of any age group and increasing at a rate of around 5% per annum Ministry of Social Development 2001.

**Aging and Social Work: The Changing Landscapes: Sharon Marie Fortune, Anne E. Witkin, Stanley L. Keigher, Sharon Marie Keigher, Anne E. Fortune, Stanley L. Witkin: 9780871013262: perssongroup.materialsproject.org: Books**

Immigration Increase Immigration has been steadily increasing since the turn of the 21st century.

### **Focus on Aging: Federal Partners' Webinar Series**

Some research has considered how the day-to-day experiences unfold, but this should be interpreted with caution because the residents may have a positive bias in justifying their choice to live in such a community.

### **Focus on Aging: Federal Partners' Webinar Series**

Category April 2020 December 2020 Change percentage points Podcasts 20. Growing Older: Quality of Life, Open University Press, Maidenhead pp. Section four examines employers' expectations for older employees, and the fifth section assesses current ergonomic standards and the adjustments necessary to accommodate an aging labor pool.
