### Dictionaries of Name Origins and Meanings

Those forms—even the simple AR-2 alien registration form—can reveal the original surname an immigrant arrived under and other valuable information, including the town of origin.

### Alexander Beider

Sephardic Jews, on the other hand, traditionally name their children after their grandparents, living or deceased.

### Handbook of Ashkenazic given names and their variants (Book, 2009) [persongroup.materialsproject.org]

Beider's , this book provides the description of the origin and evolution of 735 root masculine and feminine Ashkenazic given names and a tree-like structure of all the name variants which shows how they were derived from the root name. Several names with the same root gentil were used by Jews in various Romance countries.
